

September

Do you remember twenty-first night of September?
Before you go cold like December
And all you saw a cloudy day

And I remember that day when you surrender
You start turning 'cause you remember
The season it won't last away
Hey hey hey hey

Ba de ya, tell me you remember
Ba de ya, and your heart felt like September
(You) **still had the joy and God was just a prayer away**

Ba doo... (I can see clearly now)
Ba doo... (The sun is much brighter now)
Ba doo... (The season it won't last away)

Sing like forever
You said when will my life get better?
I'm tired of stormy weather
But the sun always shines in day

So just remember
The next time you feel like December
Remember the night in September
When God wiped all your tears away

Ba de ya, tell me you remember

Ba de ya, and your heart felt like September

You still had the joy and God was just a prayer away

4x

Ba de ya (I can see clearly now)

Ba de ya (The sun is much brighter now)

Ba de ya (The season it won't last away)
