

- **"You've Got A Friend"**

When you're down and troubled,
And you need a helping hand
And nothing, nothing is going right

Erica:

Close your eyes and think of me,
And soon I will be there
To brighten up even your darkest night.

**You just call out my name
And you know wherever I am
I'll come running
to see you again
Winter, spring, summer or fall
All you've got to do is ca-all**

And I'll be there yes I will

You've got a friend

If the sky above you grows
dark and full of clouds
And that old north wind begins to blow
Keep your head together and call my name

out loud

Soon you'll hear me knocking at your door

You just call out my name

And you know wherever I am

I'll come running,

to see you again

Winter, spring, summer or fa-all

All you've got to do is call

And I'll be there, yes I will.

You've got a friend

Now, ain't it good to know

that you've got a friend

When people can be so cold?

They'll hurt you, yes, and desert you

take your soul if you let them,

don't you let them!

You just call out my name

And you know wherever I am

I'll come running, to see you again.

Winter, spring, summer or fall

All you got to do is call

I: And I'll be there, yes I will. :I3x
